

QUICKSAND

DANGER MODE

Test your **QUICKSAND™** skills with **Danger Mode!** This mini-expansion allows you to replay all of the levels from the base game with a **higher difficulty level** thanks to a **Dangerous sand timer** that triggers game over as soon as it runs out of sand.

Do you have what it takes to beat the **DANGER MODE?**

HOW TO PLAY

To play a game of *Quicksand*™ in Danger Mode, apply the following changes to the base game rules:

- **Get Ready:** During step 5, replace the slowest sand timer with the Dangerous sand timer. In case of a tie, replace the most advanced one.
- **How to Lose:** If the Dangerous sand timer runs out of sand, even before entering the Danger Zone, the game ends immediately and you have lost.

Try to beat all of the levels of the base game in **DANGER MODE!** If you succeed, the challenge of the super-hard level **22** awaits you!
